

# Conference & Expo 2021

*save the date*

**GOLF DAY: Tuesday 10 August CONFERENCE AND EXPO: Wednesday 11 – Thursday 12 August**

## For the delegate...

### Why you should attend

LG Works is a not for profit organisation for Supervisors, Managers, Engineers, Greenkeepers and Works Officers within Western Australia. The Conference and Expo can give you opportunities to:

- access the latest technologies for the changing issues you face
- advance your professional skills and knowledge
- maintain competencies and standards necessary in local government
- explore issues related to your well-being.

### What's included in your registration

**Informal networking:** To begin with, enjoy a game of golf with a mixed field of delegates and exhibitors. Not a golfing person? Then our free winery coach tour is for you.

**A great two-day program:** At the Conference you can enjoy a two-day program of Keynote Speakers plus a variety of expert presenters in their field.

**Big trade exhibition:** Visit our 80+ Trade Exhibitors at a range of internal and external stands.

## For the boss...

### Why you should send your Supervisors, Works managers, Engineers and Greenkeepers

The Conference and Expo forms a valuable part of your staff member's professional development, as it hosts many expert speakers specialising in their area of expertise. It also provides your staff with a valuable networking opportunity to exchange ideas with peers and industry representatives. (Or perhaps just as a thank you for all their hard work during the year!)

## Social and networking events

### Plus 1 program

We provide a program for those who choose to bring their other half (well, the room is paid for anyway). This year the Plus 1 program includes a winery tour, dinners and the Speakeasy and Casino.

### Venue

The beautiful Joondalup Resort, Connolly, is set in a picturesque leafy suburb, not far from Joondalup city centre and beaches. The lovely refurbished rooms have private balconies or patios. Other amenities include an outdoor pool and fitness centre. This hotel also features complimentary wireless Internet access and concierge services and has an old fashioned Old English pub on site for a quiet bevvy or two.

### Exhibitors

In 2020 80+ Trade Exhibitors supported and exhibited at the conference. Exhibitors such as WesTrac, Corsign, Replas, Construction Equipment Australia, Stirling Asphalt, and many more, know the importance of exhibiting to you, the Supervisors in local government.

### And it's not all work ...

Join us for two dinners during the conference! The first is an Italian buffet at the Golf Presentation evening with a guest speaker. Then enjoy all the glitz and glamour of Al Capone and 1920's-style flappers, so dress to impress for an evening of gambling and glamour.
